FROM THE AMERICAN PEOPLE

To/whom it may concern

Dear sir/Madam,

I am writing you this letter in reference for (Nadeem Company) with whom we, as USAID-Tijara Project have had a working relationship for almost four years. As they are looking for new clients and to expand further their business, I am writing you a recommendation of the services they may be able to offer you.

Nadeem Company has been our contracted transport company since 2008, in which time we have never had a problem. Nadeem Company was able to provide us with buses and private cars to transport our guests and VIPs. The quality of vehicles provided to accommodate our movements were excellent, one that I would recommend to any local business who needs reliable and efficient transport services besides being very punctual regarding timings and their drivers were very friendly and respectful to our guests.

I thank you in advance for your consideration of using the services of Nadeem Company; I assure you that you will not be disappointed in what they can offer you,

TO WHOM IT MAY CONCERN

Dear Sir or Madam,

I am writing this letter to support Mr. Nadeem Asttaifan Mansoor visa application to the United States of America

My name is Muna Matti Darman and I live in Erbil. I have known Mr. Nadeem for the last six years whilst working as a Regional Manager for USAID, Tijara Project in Erbil, Iraq. Mr. Nadeem was contracted by our regional office to provide vehicles for our national and expatriate staff during the conferences we regularly had in the region. Mr. Nadeem was chosen because of his high level of trust and reliability that he showed during his contract period with our office.

Mr. Nadeem is one of the most honest and trust worthy people I have had the privilege to have worked alongside. He is a hard worker with excellent morale. He was well respected by all USAID staff and he never hesitated to perform any required task.

I highly recommend him for this application and I have no concerns that Mr. Nadeem will return to Erbil after his visit due to having family and work commitments here in Erbil.

If you would like further information please do not hesitate to contact me on the below details:

Sincerely,

Muna Matti Darman
