

# TOP WAY

Commercial Services, Import & Rental Car

Top-way company was founded in early 2014 by Nadeem Mansour. The company has been operating in Iraq for over 4 years as one of the region's leading commercial services company. We provide a wide range of services starting from car rental , construction projects , logistics, supplies and other services that are required by our clients. We believe in living up to the highest standards of corporate responsibility, acting as a good citizen on the international stage and high ethical standards.

### **Our Philosophy:**

#### **“Trustworthiness and credibility”.**

These are simple words but they are not easily put into practice. Through our commitment to quality and respect for the planet we aim to exceed your expectations ; with us you're in good hand.

### **Our Values:**

Our Values represent our fundamental beliefs, they are part of our DNA.

Integrity, accountability, passion, humility, simplicity and a focus on success, are the essence of our company's identity.

**1. Integrity:**

- Show respect for and value all individuals for their diverse backgrounds, ideas and experiences.
- Act with openness, honesty and integrity so our relationships flourish

**2. Accountability:**

- Focus on finding solutions and achieving results
- We are accountable for our actions and results

**3. Passion:**

- Delight our consumers and serve our customers through the high quality of our products and services
- Value, promote and fiercely protect our reputation

**4. Humility:**

- Value openness and curiosity to learn from anyone, anywhere
- Learn from mistakes and successes in equal measure

**5. Simplicity:**

- Seek to continually simplify and improve processes, procedures and activities
- Deal with people and issues directly and openly

**6. Focus on Success:**

- Have a "can do" attitude and drive to get the job done
- Make people feel valued and appreciated

atmosphere.

## Products & Services:

We have developed sophisticated and secure solutions, complex logistics, car rental, supplies and construction projects, etc.. The company's experience gives it the versatility and adaptability to a variety of solutions in normal as well as hostile environments.

Our dedicated and experienced professionals always provide you with tailor-made logistics solutions, customized to your particular needs. We focus on serving customers with global sourcing and supply-chain-management needs, creating value through innovative end-to-end international logistics programs.

## Supply Chain Management:

We develop strategies and plan your business so you can implement business improvements that will get near-term and long-term results.

We establish performance measurements to all companies small to large and help them achieve continuous improvement in their supply chain.

## Transportation:

We bring added flexibility to your supply chain by providing shipping by road or air. Our team is always ready to offer seamless shipping from origin to destination. We will identify the best to help you meet your objectives.

## Warehousing & Distribution

We manage end-to-end inventory planning and replenishment tailored to your requirements. We take complete responsibility for your inventory and we manage the materials and products necessary to keep your business running smoothly starting from the acquisition of spare parts and replacements to purchasing, ordering and quality control.

## Technology logistics:

We provide information logistics as below, but not limited to:

- Computer Cabling
- Computers, Scanners, and Printers
- Desks, Bookcases, and Filing Cabinets
- Laptops, Monitors, and Memory
- Lighting
- Locking Devices and Security Cameras
- Software
- Televisions

**Construction:**

Our team offers complete lifecycle of a project including feasibility studies, financial evaluations and front end engineering, to the execution phases of detailed engineering, procurement and construction activities, through to the operational phase by providing maintenance and upgrade services. We go above and beyond on every project and deliver on our promises with integrity

## Car Rental:

Our scope of services include car rentals (both soft and armored) for individuals, corporates, NGO's and governmental Organizations. To achieve the utmost customer satisfaction levels, a special emphasis is given to safety & cleanliness, while the charges are highly competitive, making it value for money. Add luxury & comfort and it becomes memorable.

- Daily, weekly and long term car hire
- Commercial Vehicles
- 24hr roadside assistance
- Recovery Service
- Sensitive and secure transports

## Health and Safety

Throughout our company we have an aspiration of Zero Harm in the workplace. Top-Way operates best practice health and safety and occupational hygiene standards, which are continually reviewed to enable a supportive and accident-free safety culture.

Accident prevention is one of the cornerstones in Top Way's safety commitment.

The company will assess each project and strive to eliminate foreseeable hazards which could result in personal injury or illness
